History and Services:

My father, Frank Slapikas Sr., retired from the FBI in 1989 and started a family-owned private investigation business. At that time, I began my career working as his investigator and was fortunate to be trained by someone with such valuable experience. In 2007, I started my own company and continue to maintain my focus on criminal investigations.

We are licensed, insured and operate out of Birmingham with experience in a wide range of criminal cases including:

- Accident Investigations / Vehicular Homicide
- Arson
- Assault / Battery
- Attempted Murder
- Capital Murder
- Child Molestation
- Domestic Violence
- Drug Possession
- Drug Trafficking / Distribution
- Kidnapping
- Manslaughter / Murder
- Rape
- Robbery
- Sexual Assault

I have worked hundreds of criminal cases all over the State of Alabama during the past 25+ years including more than 175 Capital Murder Cases. Each case is different so some of them have been death penalty eligible and others have not. The following is a few of the attorneys I have worked for:

John Lentine & Wendell Sheffield – Birmingham, AL
Richard Jaffe, Mike Hanle & Jeff Dummier – Birmingham, AL
Jim & Shelly Standridge – Tuscaloosa, AL
Amber Ladner & Chip Bradford – Clanton, AL
Jacqueline Morrette – Trussville, AL
Joel Sogol – Tuscaloosa, AL
Don Colee & Ken Gomany – Birmingham, AL
Judge Alaric May & Kathy Luker – Birmingham, AL
